## IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

United States Patent Application No. **09/965,740**  
Confirmation Number **4440**  
Filing Date **September 28, 2001**  
First Name Inventor **Batich**  
Title **Absorbent Materials With Covalently Bonded, Nonleachable  
Polymeric Antimicrobial Surfaces, And Methods For Preparation**  
GAU/Examiner **3761/Catherine ANDERSON**  
Attorney Docket **QMT1.1-CIP-US**

*Via Official Fax to 571-273-8300*

MAIL STOP AMENDMENTS

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

**RESPONSE TO RESTRICTION REQUIREMENT  
AND  
AMENDMENT OF CLAIMS**

Sir:

This submission responds to an Action containing a Restriction Requirement mailed by the Office on March 23, 2005, being paper no. 20050320.

**REQUEST FOR EXTENSION OF TIME**

Applicants submit herewith a Request for a Three-Month Extension of time for the period ending July 25, 2005, and the appropriate fee under 37 CFR § 1.17 (a)(3).

**INFORMATION DISCLOSURE STATEMENTS**

Applicants draw the Examiner's attention to an Information Disclosure Statement, submitted by official facsimile on July 22, 2005, listing seventy-five citations. Copies of one foreign reference and ten nonpatent literature references accompanied the submission. Typos in the Form 1449s sent on July 22, 2005 are corrected by 6 pages transmitted herewith. Also sent herewith is a Supplemental Information Disclosure Statement listing seven prior art citations, of which two are nonpatent literature references. Copies of these two references are transmitted herewith.

**NOTICE OF COPENDING APPLICATIONS**

Applicants also draw the Examiner's attention to a Notice of Copending Applications submitted by official facsimile on July 22, 2005.
